

## Market Month Terms and Conditions

June is Market Month at Marrickville Metro and that means customers enjoy a great range of fresh food at market prices and be rewarded for doing fresh food shopping at Metro.

When customers take advantage of the great offers in this Market Month booklet, they will be rewarded with a free gift!

Here's how it works:

1. Customers bring the market month booklet along to Metro and take advantage of the advertised specials throughout June.
2. Every time a customer buys one of the specials listed in the booklet, the retailer must stamp & sign that offer in the booklet.
3. The more stamps a customer collects, the greater the prize value!
  - Collect 4 – 7 stamps and receive a FREE 2 piece glass coaster set
  - Collect 8 – 15 stamps and receive a FREE 2 piece chrome plated & glass coffee cup set
  - Collect 16+ stamps and receive a FREE coffee plunger and canister set.
4. In order to redeem a free gift, customers must present their market month booklet at concierge outside Boost Juice between 11am – 2pm from Tuesday 2<sup>nd</sup> June through to Monday 30<sup>th</sup> June.

Rewards are limited and this offer is only available whilst stock last.

The total prize pool consists of the following:

- 100 glass coaster sets
- 80 chrome plated & glass coffee cup sets
- 50 coffee plunger and canister sets

Customers are limited to one prize redemption per person per day. Therefore, if a customer takes advantage of 4 stamps and redeems the coasters on any given day, a further 4 stamps must be collected on another day in order to redeem the chrome plated & glass coffee cups.

Proof of purchase may be requested by concierge if fraudulent activity is suspected.

Retailers or family members of retailers are unable to participate.
